At the conclusion of this session, the participant should be able to:

1. _________________________________________________________________________________
2. _________________________________________________________________________________
3. _________________________________________________________________________________

Meeting Organizer: _______________ Organization: ___SLHN_________________________

Content Review
To be completed by the designated Reviewer

Please review the presentation listed above and check the appropriate answer to the following questions:

1. Does the presentation promote improvements or quality in healthcare?  \[\]  \[\]  N/A
   Comments:

2. Does the presentation promote a specific proprietary business interest of a commercial entity?  \[\]  \[\]
   Comments:

3. Does this presentation discuss a specific treatment therapy or device? If yes:
   a. are generic product names used rather than specific trade names?  \[\]  \[\]  \[\]
   b. are alternative therapies or devices also discussed?  \[\]  \[\]  \[\]
   c. are both the benefits and risks of the therapy or devise discussed?  \[\]  \[\]  \[\]
   d. is the presentation evidence-based, citing relevant literature, not just that which focuses on positive outcomes?  \[\]  \[\]  \[\]
   Comments:
### Content Review (continued)

4. **Does the presentation include a discussion of any off-labeled or investigational uses of a commercial product?**
   - If yes:
     - a. does the presenter disclose this in the presentation?  
       
       | Yes | No | N/A |
       |-----|----|-----|
       |     |    |     |
       |
       Comments:

5. **Does the presenter identify relevant research on this subject?**

   Comments:

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>
<th>N/A</th>
</tr>
</thead>
<tbody>
<tr>
